PROFESSIONAL SUMMARY

BSIT graduate with 3+ years of hands-on experience across UI/UX design, graphic design, and software development through professional roles and independent projects. Experienced in building responsive web and mobile applications, designing digital products, and creating visual materials. Skilled in modern development technologies and AI-assisted development.

PROFESSIONAL EXPERIENCE

College IT Instructor, Computer Studies Department
National College of Science and Technology (NCST) | 2024 – 2026

- Taught web development and IT fundamentals to college-level students.
- Developed course materials, visual presentations, and instructional design layouts.
- Mentored students on UI/UX principles and graphic design best practices.

Graphic Designer Intern, Training Department
Amway Philippines, LLC | 2024

- Produced marketing materials, posters, and digital assets for internal training programs.
- Collaborated with the training team to maintain consistent brand identity across materials.
- Designed layouts using Adobe Photoshop and Adobe Illustrator.

Programmer Intern, Training Department
Amway Philippines, LLC | 2024

- Contributed to the development of an internal web-based assessment platform.
- Assisted in front-end implementation, including layout, structure, and basic interactivity.
- Worked alongside the training department to align design with functional requirements.

Independent Designer and Software Developer
Self-Employed | 2023 – Present

- Designed and developed independent web and mobile products from concept and UI/UX through implementation and deployment.
- Built projects across UI/UX, graphic design, full-stack and mobile development, and AI-assisted workflows.

AI-Assisted Development and Agentic Workflows
Self-Directed | 2024 – Present

- Built prompt engineering, agentic workflow, and loop engineering skills through continuous self-directed practice.
- Applied LLMs, agent harnesses, sub-agents, and basic automation to design and development tasks.

EDUCATION

Bachelor of Science in Information Technology
National College of Science and Technology (NCST), Dasmariñas, Cavite | Graduated 2024

SKILLS

Design: Adobe Photoshop, Adobe Illustrator, Figma, Framer

Frontend and Mobile: HTML, CSS, JavaScript, TypeScript, React, Next.js, Vue.js, React Native, Expo, Flutter, Tailwind CSS
