

MARK ADRIANNE M. SALUNGA

GRAPHIC DESIGNER | UI/UX DESIGNER | SOFTWARE DEVELOPER

Cavite, Philippines • +63 991 336 2770 • adrianne.marksalunga@gmail.com • [linkedin.com/in/salungamarkadrianne](https://www.linkedin.com/in/salungamarkadrianne)

Portfolio: <https://chico-portfolio.vercel.app/>

PROFESSIONAL SUMMARY

BSIT graduate with 3+ years of hands-on experience across UI/UX design, graphic design, and software development through professional roles and independent projects. Experienced in building responsive web and mobile applications, designing digital products, and creating visual materials. Skilled in modern development technologies, AI-assisted development

PROFESSIONAL EXPERIENCE

College IT Instructor (Computer Studies Department)

National College of Science and Technology (NCST) | 2024 – 2026

- Taught web development and IT fundamentals to college-level students
- Developed course materials, visual presentations, and instructional design layouts
- Mentored students on UI/UX principles and graphic design best practices

Intern Graphic Designer — Training Department

Amway Philippines, LLC | 2024

- Produced marketing materials, posters, and digital assets for internal training programs
- Collaborated with the training team to maintain consistent brand identity across materials
- Designed layouts using Adobe Photoshop and Illustrator

Intern Programmer — Training Department

Amway Philippines, LLC | 2024

- Contributed to the development of an internal web-based assessment platform
- Assisted in front-end implementation including layout, structure, and basic interactivity
- Worked alongside the training department to align design with functional requirements

INDEPENDENT EXPERIENCE

Independent Designer & Software Develop | 2023 – Present

- Designed and developed independent web and mobile products from concept and UI/UX through implementation and deployment.
- Built projects across UI/UX, graphic design, full-stack/mobile development, and AI-assisted workflows.

AI-Assisted Development & Agentic Workflows | 2024 – Present

- Built prompt engineering, agentic workflow, and loop engineering skills through continuous self-directed practice.
- Applied LLMs, agent harnesses, sub-agents, and basic automation to design and development tasks.

EDUCATION

Bachelor of Science in Information Technology

National College of Science and Technology (NCST) | Graduated 2024 Dasmariñas, Cavite

SKILLS

DESIGN

- Adobe Photoshop
- Adobe Illustrator
- Figma
- Framer

FRONTEND & MOBILE

- HTML, CSS, JavaScript
- TypeScript, React, Next.js
- Vue.js, React Native, Expo
- Flutter, Tailwind CSS

BACKEND & DATA

- PHP, Laravel, CodeIgniter
- Node.js, MySQL
- Supabase, Prisma ORM
- Auth.js

AI & AUTOMATION

- AI-assisted development
- Prompt engineering
- Loop engineering
- Agent orchestration
- Agentic Harness
- Basic AI automation
